

CAIRNS MUSEUM

'History on the Move' Trailer

Proudly supported by Cairns Historical Society & Cairns Penny Savings & Loans

Thanks for your inquiry. The following information will help in planning for our visit.

How we can help you

Let us know what your students are studying and their ages so we can think about objects and activities that might be suitable.

Help Us!

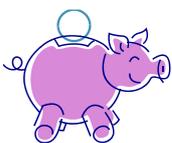

Our History on the Move Guides are not all trained teachers. Many are enthusiastic volunteers who give their time for free to assist local children.

For these reasons we ask you to consider their needs when they visit your school.

1. We ask that a trained teacher/teacher aides stay with the children when they are at the trailer.
2. We ask that you respect the advice provided by our Trailer Coordinator regarding the number of students the trailer can handle. Remember our team of retirees will be working outside with the kids, not in A/C.
3. Give them a break! Our guides need 5 minutes to regroup between classes. Please stick to the schedule provided by the co-ordinator.

Cost

The History on the Move Trailer is charged out at \$2.50 per child, GST inclusive. The Society will invoice based on numbers on the day

History on the Move checklist

1. Is there a flat space to park the trailer and to display the objects?
2. Do our volunteers know which gate to enter? Will the gate be open?
3. Is there shade for our volunteers and the students?
4. Safety: can the trailer get in and out of the school grounds while students are in class?
5. Is there a teacher or teacher aide who will stay with the trailer while the students are in attendance?

The Cairns Museum Trailer Team will always attempt to accommodate your needs

Contact us by email: schools@cairnsmuseum.org.au to discuss your plans.
