## 'History on the Move' Trailer

Proudly supported by Cairns Historical Society

### 2019 Update

The Cairns Museum *History on the Move* Trailer is back in 2019 and looking forward to working with local teachers. Have you booked yet?

#### What does the trailer offer?

*History on the Move* is a fully equipped trailer that comes to your school and offers hands-on engagement with objects, activities and stories from Cairns' past.

In 2019 we have 4 themed programs to complement the teaching of local history.

1. Changing Technology: includes domestic items, light & sound, and toys
2. Toys – including game playing
3. Kuranda Railway (including life on the railway line, c1880s)
4. Goldfields (gold panning, campfire, swag & shelter)

We also offer 5 school kits for use in the classroom:

1. Life before Electricity
2. School Days
3. Kuranda Railway
4. Gold!
5. Changing Technology - phones

#### Organisation

The trailer operates on a Thursday only. It can run multiple sessions in a day or over two consecutive Thursdays to accommodate entire year levels.

#### Cost

The trailer costs \$2.50 per child, GST inclusive. We will invoice based on a head count on the day.

Kits are available for a two-week loan fee of \$11, GST inclusive.

*We just loved the exhibit, artefacts and your presentations. It was hands-on and so engaging for the kids. We were blessed to have you come to our school ... I learnt so much about life back then in Cairns and what it would have been like building the railway. You guys are great at sharing this information.*
